An intensive exegesis of the Greek text with emphasis on the perspective, literary structure, and relevance of the general epistles.

Mata Kuliah Konsentrasi Biblika: PL – PB

Gulungan-Gulungan Laut Mati

A study of the texts and major critical issues concerning the Qumran community and the Dead Sea Scrolls, including their origin, interpretation of the Old Testament and place within the Jewish world and early Christianity.

Studi PL dalam PB

An intensive study of how historical, exegetical, and theological themes of the Old Testament are developed in the New Testament. Special attention will also be given to how the hermeneutics of the New Testament writers should impact Christian interpretation of Scripture.

Intertestamental Language and Literature

An introduction to the Greek historiographic literature of Second Temple Judaism reading such texts as 1 and 2 Maccabees or Josephus. Constant attention will be paid to the characteristics of Hellenistic Greek represented by these texts (phonology, morphology, and syntax)

Mata Kuliah Konsentrasi Praktika: Kepemimpinan – PAK

Organizational Theory and Development:

Explores psychological and developmental underpinnings of organizations. Presents classical and contemporary theories and principles of organizational development. Students gain skills in the analysis of organizational culture, communication processes, and staff training.

Change, Power and Conflict:

An analysis of the change process, the role of power and authority in the development of change and conflict, and approaches to conflict management.

Curriculum Theory and Design

An exploration of the major curriculum developments in Christian education including a review of historical trends, the design of curriculum frameworks and teaching-learning sessions, the supervision of curriculum in the local church, and a critique of curriculum issues in higher education.

Mata Kuliah Konsentrasi Konseling: Biblical Counseling

The Dynamics of Biblical Change

This course describes various views of personal spiritual growth and offers a biblical view of progressive sanctification. The concept of motivation is explored from a biblical perspective. A biblical view of self and evangelical perspectives concerning the issue of forgiveness are explained.

Biblical Counseling in the Local Church

This course provides instruction on how to develop a local church corporate culture of personal discipleship, how to select and equip counselors in and for the local church, and how to establish a local church biblical counseling and training center.

Marriage & Family Counseling

This course will consider such issues as dating/courtship, marriage proposals, functions of a family, premarital counseling, marital roles, communication, financial counseling, counseling victims of spousal abuse, rebuilding a marriage after an adulterous affair, dealing with sexual problems, and parent/child relationships.

Tujuan Konsentrasi

Konsentrasi Biblika membuka kesempatan bagi para mahasiswa/i untuk mendalami topik-topik populer masa kini yaitu gulungan laut mati dan studi PL dalam PB. Para mahasiswa/i biblika diberikan peluang untuk mendalami *extra-Biblical texts* yang ada di Qumran untuk memperasah bahasa Semitik, memahami sejarah, metode tafsir, teologi serta kaitannya dengan PB. Studi PL dalam PB membantu para mahasiswa/i untuk memahami teks yang digunakan dan metode tafsir yang digunakan para penulis PB tatkala mengutip PL. Dua mata kuliah ini diharapkan dapat membantu para mahasiswa/i Biblika dalam penyusunan disertasi baik berkaitan dengan PL atau PB.

Konsentrasi kepemimpinan bertujuan mempersiapkan para mahasiswa/i menjadi *pemimpin* baik di gereja maupun dunia akademis (perguruan tinggi, STT, atau sekolah-sekolah). Mata kuliah ini akan membekali para mahasiswa/i untuk memulai dan membangun sebuah organisasi pelayanan yang melibatkan teknik komunikasi, pemilihan (perekrutan) dosen dan *staff training*. Konsentrasi ini juga akan mengajarkan para mahasiswa/i dalam menyerahkan tongkat kepemimpinan atau transisi yang Alkitabiah. Mata kuliah *Curriculum Theory and Design* akan membantu para mahasiswa/i dalam mendesign kurikulum di perguruan tinggi dan kaitannya dengan pemerintah. Ketiga mata kuliah ini diharapkan dapat membantu para mahasiswa/i dalam penyusunan disertasi baik berkaitan dengan kepemimpinan di gereja maupun dunia akademis.
